Mrs. Mariam Tope Anofi-AbdulKareem
Registrar
Sultan Hanafi Royal Schools

ACTIVATION OF YOUR OFFICIAL PORTAL ACCOUNT — OFFICE OF THE REGISTRAR

Dear Madam,

I write on behalf of the ICT Office to inform you that your official account on the Sultan Hanafi Royal Schools Digital Campus has been created, and that the Office of the Registrar is now open to you online.

Your Staff Identity Number is **SHRS-HQ-REG-130826-000004**. This number is issued by the institution itself, is permanent, and will identify you on every record, certificate, transcript and verification the school produces for as long as you hold office. It does not change if your office, campus or title changes. Please keep it safely; you will be asked for it.

WHAT YOU NEED TO DO

1. Open your activation link. https://shroyalschools.com/portal/staff/set-password/?token=DEMO

This link belongs to you alone. It may be used **once**, and it expires **seven days** from the date of this letter. Should it lapse before you reach it, nothing whatever is lost — write to the ICT Office and a fresh link will be issued the same day.

2. Choose your password. The link opens a page asking you to set one. It must be at least **ten characters**. Please choose something only you would think of, and please do not reuse a password you already use elsewhere.

No one at this school sets your password, and no one can see it — not the ICT Office, not the Head of Schools, not the system administrator. This is deliberate. It means that if you forget it, nobody can simply tell it to you; you will instead be sent a fresh link to choose a new one. It also means that any message asking you to disclose your password did not come from this school, whatever it appears to say.

3. Sign in. Go to **shroyalschools.com/portal/staff/login/** and sign in with your email address and the password you have just chosen. For your protection a one-time code may be sent to your email at sign-in; it is valid for ten minutes, and you have five attempts before a fresh code must be requested.

Your portal carries the authority of the Registrar across all five institutions — the Nursery & Primary School, Royal College, the School of Islamic & Arabic Studies, the Qur'an College, and the Online & Distance Learning School. Within it you will find:

The Registrar's Office — admissions verification, enrolment, results, transcripts and certificates, across every institution rather than one at a time.

The Newsroom — where the school's announcements are written and published. What you publish there appears on the website and reaches every family who has asked to be notified.

Your Desk — where families who have asked to speak with a person, rather than with the digital assistant, are brought to your attention, together with notifications addressed to you by name.

Examination readiness — the WAEC and NECO oversight views.

Delegation — should you travel or take leave, you may pass your authority to a named colleague for a stated period, with your reason recorded. It ends by itself on the date you set; you need not remember to withdraw it, and you may end it earlier at any time.

A NOTE ON THE RECORD

RECORD
Verifiable at shroyalschools.com/verify

Every action taken in the portal is recorded against the person who took it. This is not surveillance. It is the ordinary discipline of an institution that issues certificates and holds children's records, and it protects you at least as much as it protects the school: where the record shows who did what and when, no officer can be asked to answer for another's decision.

It is also the reason your account is yours alone and must never be shared with a colleague, however convenient it may seem in a busy week. An action taken on your account is recorded as yours.

IF ANYTHING DOES NOT WORK

Please do not attempt a workaround. Write to the ICT Office at **info@shroyalschools.com**, stating what you were doing and the exact wording that appeared on the screen. A message quoting the screen word for word is resolved far more quickly than one that describes it.

Kindly confirm to this office once you have signed in successfully. The ICT Office remains at your disposal, and I look forward to the good work of your office, now properly supported.

Yours faithfully,
