ACTIVATION OF YOUR OFFICIAL PORTAL ACCOUNT — OFFICE OF THE REGISTRAR

Dear **[Sir / Madam]**,

I am pleased to inform you that your official account on the Sultan Hanafi Royal Schools Digital Campus has been created, and that the Office of the Registrar is now open to you online.

Your Staff Identity Number is **[SHRS-HQ-REG-_____]** — issued by the institution, permanent, and carried on every record and certificate the school produces. Please keep it.

WHAT YOU NEED TO DO

1. Open your activation link: **[paste the activation link here]**. It is yours alone, may be used **once**, and expires **seven days** from the date of this letter. Should it lapse, this office will gladly issue another.

2. Choose your password — at least ten characters. No one at the school sets it and no one can see it: not this office, not the ICT Office, not the system administrator. Please never share it with anyone, including anyone claiming to be from the school.

3. Sign in at shroyalschools.com/portal/staff/login/ with your email address and your new password.

Your portal carries the reach of your office across all five institutions — admissions verification, enrolment, results, transcripts and certificates alike. Every action in it is recorded against the person who took it: the ordinary discipline of an institution that holds children's records, which protects you as much as the school and is why an account is never shared.

Kindly confirm to this office once you have signed in.

Yours sincerely,

Dr. Zakariya Olanrewaju Anofi

Founder, Chairman of the Board of Governors & Head of Schools
